

RAJAS KHANDAKE

Senior Principal Product Manager

+91 9422074467 @ rajas.khandake@gmail.com https://www.linkedin.com/in/rajaskhandake/ Pune, India

SUMMARY

12+ years in product management across B2C/B2B SaaS. Driving product strategy at one of India's largest consumer cybersecurity companies, focused on device security, fraud prevention, and privacy-first experiences at scale. Proven track record of driving complex, cross-functional initiatives (security features, platform revamps, policy enforcement) across engineering, design, and business teams, with focus on scalable UX and low-friction adoption.

EXPERIENCE

Senior Principal Product Manager Quick Heal

05/2025 - Present Pune, India

- Leading strategy and execution for consumer cybersecurity products impacting millions; delivered 150% growth in MAU through platform and product innovations.
- Scaled product adoption and growth (0→1 and 1→N) by translating complex security and infrastructure problems into user-centric solutions, driving 300% increase in signup conversion.
- Led user research and GTM strategy leveraging qualitative insights and product telemetry; accelerated feature adoption by 250% while reducing friction across critical user journeys.
- Led cross-functional execution and change management; streamlined security policies for intuitive adoption across teams.

Vice President of Product Management Creative Galileo

05/2022 - 05/2025 Pune, India

- Led product strategy and execution reporting to CEO, scaling AI-powered and platform products; delivered 150% MAU growth, 300% signup uplift, and 250% feature adoption through data-driven roadmap and GTM.
- Drove 0→1 and 1→N product development across B2B SaaS and B2C platforms—scaled ERP to 500+ schools across India, Dubai, and Singapore (\$3M+ ARR) and grew a 10M+ download app with +25% DAU, combining deep user research with telemetry-led prioritization.
- Executed large-scale platform and UX transformations, including AI (GenAI, RAG) integration and onboarding redesign; improved retention (+20%), NPS (+18%), adoption (+25%), reduced churn (-15%), and cut operational costs/time (-20% content cost, -30% integration time) through simplified, user-centric experiences.

Senior Product Manager Medly

10/2020 - 05/2022 Pune, India

- Defined product strategies driving 30% of company revenue (\$10M annually) for B2B and B2C verticals.
- Built and launched a B2B delivery management product from scratch, onboarding the first enterprise client in under two months, generating \$2M annually.

Product Manager Viu

06/2014 - 10/2020 Pune, India

- Owned product roadmap for Viu (Android & iOS, 100M+ downloads), driving engagement and retention through data-led experimentation; improved platform engagement to 11%+, D15 retention to 27%+, and 4x content completion rates.
- Led international expansion and GTM execution, launching in new markets and telecom ecosystems; achieved 25% market penetration and \$5M revenue in 6 months, backed by deep user research and localized product strategy.
- Built scalable platform and partnership infrastructure, reducing time-to-market from 8 weeks to 3 weeks and enabling 20+ global launches + 4 strategic partnerships, contributing \$50M+ platform revenue and \$6M via APIs.
